

Building Bridges

art celebration & auction

Benefiting The Arc of the Capital Area
Thursday, October 15, 2009
Hilton Austin, Downtown

Artwork Donation Form

Each piece of artwork must be juried into the event. Please send an image of your work by email. If the piece that will be featured in the auction is not ready to be shared send a sample of the type of art you will be submitting to aparrish@arcorthecapitalarea.org

“Building Bridges” is a special night that places the spotlight on the talents of people with disabilities, and brings us all together to share a common purpose – the celebration of the passion and great achievements of *all* artists in our community. This year’s event will feature a special recognition ceremony, as well as a live and silent auction. “Building Bridges” is our signature fundraising event, as the money raised during this one night supports our programs and services throughout the year.
