

ARTISTS!

Donate your paintings, ceramics, photography, jewelry and/or drawings to the 2008 "Building Bridges" Art Celebration and Auction for The Arc of the Capital Area, a nonprofit serving people with developmental disabilities since 1959!

THE EVENT

"Building Bridges" celebrates the creativity and great achievements of all artists. Proceeds raised during the event go directly to The Arc's programs and services, including our new art studio and gallery. This will be a great opportunity to showcase your artwork and reach a new audience, in addition to giving back to your community.

This year's event will be held on Wednesday, October 15 at The Hilton Austin.

VOLUNTEER OPPORTUNITIES FOR ARTISTS

The Arc of the Capital Area offers art classes to adults and youths with special needs in our new "Arc of the Arts Studio & Gallery." We need your help to make their dream come true.

Volunteer artists are paired with students to collaborate on a new piece of artwork. Students have created pieces in painting, photography, pottery, crafts and fabric. Please use your special talent to help a very special person.
